My friend George invited me to spend the weekend at his summer home on the island to celebrate my forty-first birthday. I couldn't make it but I could a couple weeks later. When I got there, he showed me around and we dined and had good laughs. On Sunday his friend came over, not knowing I was there. I though he was really sexy with his bald head and great body. Can you guess what's next?

### To the Editor:

*Okay, everyone out there, admit it, Nicole is the hottest porn star out there. If you don't agree, end me a note and I'll send you a new pair of glasses! I've been jacking to her for eight lust-filled years when I first saw her. She had small natural boobs, had not done anal yet and was just perfecting her blow job skills. You just gotta love a girl like that!*

— David, D.C.

### Backdoor delight

Bruce and I had been living together for about a month. Before that, we had known each other for about six months. We had always had hot sex. I mean, it was totally satisfying for us both. But we had never experimented with anything the least bit kinky—that is, not until one Friday night.

I came back to the apartment after my last class and jumped in the shower. I was going to be waiting for him in our bedroom like usual, wearing nothing but a sexy nightie. But this time he came home early, catching me as I lathered my body. “Hey babe, mind if I join you?”

“No, not a bit. Come on in,” I coaxed, hot for his hard body.

He stripped off his clothes, and in a matter of seconds he was in the shower with me, slowly soaping his long, thick cock. “I’m so horny.”

“So am I,” I agreed. “Let’s finish up and get out of here.”

“Maybe we don’t have to wait. Maybe we could do it right here,” he groaned, as his cock stiffened and lengthened right before my eyes. “Turn around.”

He crushed his body against mine, ramming his cock into my crack. He had taken me from behind before, so I wasn’t worried as his arm slipped around my waist. He started playing with my boobs, pinching and pulling on my nipples and making me totally horny. My knees were weak, and I was trembling as he kissed my neck and scraped his teeth along my shoulder.

“I’m going to fuck you, baby, right back here. It’ll make you feel better than ever.”

“I’m ready,” I groaned. “Do it.”

But instead of shoving his cock into my slick pussy, he started pushing his fingers against my tight butt-hole. He rubbed and played with it, then pushed his finger right into me. I moaned as the new sensations swept through me. Nobody had ever done that to me before. His fingers rubbed my insides, then wiggled around inside there, sending hot bursts of pleasure all through my body.

I braced myself against the stall and let him shove his finger in and out of my hole. It was the most awesome feeling I’d ever experienced. Then a second finger pushed its way inside me. I groaned and squirmed as the two intruders stretched and separated.

“Feel good?” Bruce asked, still letting his fingers taunt me.

“Oh yeah,” I moaned. “So good. Don’t stop.”

But instead of listening to me, he pulled his fingers from my insides. I whimpered in desperation, wishing he would fill the emptiness I felt inside me.

“Let me fuck your ass,” he whispered. “Just hold still and let me.”

I had never let anyone do that to me. None of my friends ever let their boy-friends do that to them. But right now I wanted it—wanted Bruce to fuck my ass. I couldn’t wait to feel the new sensations.

I didn’t speak, but I nodded my consent.

Taking a handful of soapy water, he slicked up his bulging cock and aimed it at the tiny entrance to my body. I took a deep breath as he pushed against the guardian muscle-ring. His cock sank slowly into my belly, massaging my insides

as it moved. The virgin nerve-endings quivered with excitement. It was the hottest feeling ever.

Inch by inch the oversized intruder sank into me. When his cock was buried to the hilt inside my steaming back door, he just stopped. He seemed to be waiting for me to get used to the sensation. Then he pulled back, yanking his cock nearly all the way out of me. I groaned, frustrated, but then he rammed back into me, filling my emptiness once again.

His cock slammed in and out of me while he played with my boobs. He squeezed and rubbed them, then let his hand drop lower until he was rubbing and playing with my swollen clit. I was hot, and I needed to come bad. He kept rubbing me as his cock slammed in and out of my body. It was incredible, so hot I could hardly breathe. I groaned and humped back into him, meeting each powerful jab with a body that was on fire.

Suddenly his cock started jumping and wiggling in my ass. I could really feel his hot cum shooting inside me. But he didn't stop, just kept jabbing his cock in and out of me until I came.

It happened slowly. The heat spread from between my legs in a way it never had before, then caught fire somewhere behind my clit. My body trembled, and my knees felt weak. My pussy contracted again and again as one boiling wave of pleasure after another swept through me.

"Oh, man, that was so good," he groaned.

"It was incredible," I agreed as he let his cock slide out of my stretched hole. "We've got to do it again."

"I can't wait. Let's dry off and go to bed," he said softly. His voice and his eyes were filled with the same desperate hunger I was feeling.

I took hold of his cock and led him from the bathroom to emphasize my

point, and to let him know how much I really wanted him. I lay down on my belly on the bed, waiting for him to fill me with his hard, hot cock one more time. And he didn't disappoint me. That was the hottest night ever.

— Theresa, Vermont

### When the guys are away

It was a pretty typical Friday night for late September here in Charlotte. Mildly warm and a bit humid. It's also the night that everyone gathers at someone else's house for some weekend games and that often includes some radical, night long battles on the Xbox or PlayStation.

Of course it also includes beer and other stuff to make the games more competitive. Those that don't play or don't want to play will often go into bedrooms and not come out until there's a knock on the door. However tonight it seemed like everyone else had something to do.

So there were only 4 of us this weekend; David, Justin, Alyson and myself at her house, but usually there are six or more. We always try to have an even number of guys and girls so no one will get left out. House rules!

Alyson pulled me aside and staring whispering in my ear that earlier in the day she had fucked David and wanted him again, what could we do to put him in the mood. So of course I suggested make out in front of them! Alyson isn't what

### One fun workout

*I had so much fun (down below) watching Kenna and August 'workout.' The both look great nude and seem like they had a lot of fun doing the photo shoot. I do yoga with a group, but I also do it at home - in the nude. I asked this one girl from the class to come and do it with me at my place - or hers. She has a kick ass body, great face, and actually is into yoga. Well, she agreed to come to my place and after a little warm up, we started with the Downward Facing Dog and by the time we got to the Bridge, we stripped off our clothes and fucked!*

— Kiki, Boston

you would call drop dead gorgeous, but she's pretty cute and has a smoking hot body. She's very curvy and thick and has awesome perky boobs with dark nipples that always are poking through her tight blouses.

We are all sitting on the floor, the guys have no idea what's about to happen. We start kind of giggling and start kissing. First it was just dry pecks on the lips but then Alyson slips me her tongue and we start long wet kisses. Justin just stared in amazement. David however was very interested.

"The only thing that is missing is that you are still dressed!" he said. So we both took off our clothes and bras and are just in panties. We start kissing again rubbing each other's breasts and I have to wonder could she be as turned on as I am right now?

So I reach down and rub her pussy on top of her panties and they are soaked! She jumped a little at first, but then returned the favor.

This went on for a while till my little white cotton bikinis were soaked. Turns out Justin had too much to drink and was getting sick, so David said he would take him home. It was around one in the morning, so Alyson and I decided to go to bed.

We cuddled up on her futon still in just our panties and she said it was really fun kissing me in front of the boys as she was softly rubbed my breast. We could always finish what we started and blame it on the alcohol in the morning. I laughed. I was so turned on! Neither one of us had ever been with a girl before!

I rolled on my side and we started kissing and caressing each other. I pinched her nipple and she moaned instantly making us both wet. I kissed her nipples and then started sucking them, as she writhed under me. As I slid my hand down her stomach hers was on my pussy on top of my panties. I slid my hand under her

panties and felt my way to her swollen clit. I gave her a look of surprise and she whispered "Don't stop. Do whatever you want and I'll do it back to you till we both cum, okay?"

I started rubbing her clit harder as she moaned and asked me to put a finger in. I did and she flooded my hand with her pussy juices. I couldn't let all that sweetness go to waste so I ever so slowly licked my way down her belly and devoured that smooth pussy full force. My tongue parted her lips as I played with her clit and she screamed and pushed my head further into her swollen pussy. I tongue fucked her hole till she begged me to stop. But I didn't stop until she came hard in my mouth.

I sat up and took my panties off and got on top of her. We then positioned ourselves so our pussies were touching? We guessed this is what they call 'scissoring' and laughed. She then reached down and very carefully spread our labia apart so our clits were touching. She started thrusting against me and I did it back to her even harder. Our pussies rubbed together faster and faster till we both came and collapsed with scissor exhaustion. I rolled over beside her and she said she had never cum like that and wanted to know what got into us? We heard David come back in the house and called our names. We both laughed, ignored him, and fell asleep together.

— Suzie, Columbus

### **Nude Yoga? Yes!**

*I rarely write to any magazine, let alone a men's magazine, but when I saw your pix of those two girls doing naked yoga, I was pleasantly surprised. It was a nice change from all the hardcore fucking. The two were amazingly beautiful and looked like they were enjoying it. Please show us some more of this fun stuff. Your readers will appreciate it.*

Like most cougars and MILFs, Simone has found her sex life to be far better than it was in her younger days.

As a woman ages, she truly begins to figure herself out. She gets comfortable with herself, and sex becomes a total body experience where you just let yourself go. She sees every opportunity as a sexual one, like when the handsome agent came over to show her the agreement to fuck her pussy and ass.

Sophie says she's been celibate for the past six months and she's about ready to explode! "I swore off sex thinking it would help clear my head, but it's just making me more and more frustrated," she explains. Hey, Sophie, what are you fishing around for inside your panties, a magical bean? "I'm a masturbation freak. I play with myself all day long. I swore off sex, but I didn't say I'd stop cumming!" Makes perfect sense to us.

I'm really ready for some cock today. I'm more than ready, It's been almost two months and I'm horny as hell. I got myself off a few times during that time, but no one has fucked me in a while. My pussy's wet just talking about it. Do I have to wait for some stud or are you going to do me?

## I love teaching to all that fresh tail

Most professors consider intro courses the scutwork of college teaching, but I've always been happy to teach them. The lesson plan has been frozen since the dawn of time, the students are in awe of you, and there is a steady stream of cute freshman girls who are willing to put out for a pass instead of a fail.

Tina had made the usual offer, and I'd surprised her by agreeing to her terms. Now her nubile body was bent over across my desk, and I was greasing up my cock with lubricant. Tina was willing to do anything to keep from losing her scholarship. "Anything" included letting this horny old professor take her back-door cherry. Like most of the girls who wanted to trade sex for a better grade, Tina had plenty of experience, but not with this particular activity. She gasped as the tip of my cock spread her sphincter and slipped inside her.

"Well, what do you think?" I inquired as I started fucking her.

"Feels weird," she said in a distracted voice. "Really...wow. Oh."

I set up a slow and steady rhythm to give her a chance to get into it. Meanwhile I leaned over her and slipped my hands beneath her body to cup her ripe little tits. Her nipples were hard, and I squeezed them gently as I kept up the rhythm.

After a little while, I felt her shaking and knew she was getting close to getting off. "See, it isn't so bad, is it?" I whispered to her, and she moaned in reply. When I came, she stiffened beneath me. I knew she was feeling it as my body pumped sperm up her bung. She was feeling it and getting off on it, and I was content.

When I pulled out of her, she turned around and said, "That was wild." She put her right arm across her breasts, squeezing the left one with her hand, and slipped her left hand down to her pussy, finding her clit and rubbing it vigorously. Her eyes met mine as she jerked off in my office. Then she closed

hers tightly as she came, enjoying the wash of powerful feelings that I'd inspired through her asshole.

Even though her grade in my class was assured, Tina found my butt-fucking so interesting that she soon came back for more. Of course, I'd started on my anal ways because you can't trust these girls to use birth control, and I'm looking for easy sex, not a paternity suit. But sometimes a girl just plain realizes she likes it that way. That's what happened with Tina.

Later in the semester, she came to my house, and I gave her a romantic dinner before boffing her. By the time we stripped and got down to it, she was incredibly horny from anticipation. She almost came the moment I slipped inside her, and I fucked her slowly since she was so on edge. When she did come, it was like a major theatrical production. Her whole body turned bright red and shook as if she had grabbed the third rail. The intensity tore the smallest possible scream from her throat and

left her dripping with sweat and exhausted. I continued to fuck her as she moaned.

“Wow, it’s never been like that,” she gasped as I continued to hump her. “Never. Never. Wow.”

I picked up the pace, focusing a little more on my own pleasure, and before I got my own rocks off, she’d had another orgasm.

Of course, there’s little point to dedicating your life to educating horny coeds if you restrict yourself to just one student, and Tina is far from the only nubile freshmen in my life. Peggy, a slender 18-year-old redhead, was another repeat customer. Like many green-eyed redheads, she had milk-white skin accented by a few well-placed freckles. Her small ass looked like an upside-down white peach. With Peggy, I didn’t have to raise the issue of butt-fucking, as she’d already heard the rumors and had come forward not to improve her grades but to get some easy action from an experienced older man.

*My cock was a hard spike  
that pinned her neatly in place*

I didn’t have to do a lot of work with Peggy. I could let her arrange my body and my cock any way she liked. I was amazed the first time she asked me to get on my back. Then she lay on her back on top of me. As her hard, young butt-cheeks seized hold of my rod, I realized that I was learning a new sex position at the grand old age of 39.

“Hold me,” she murmured, and I wrapped my arms tightly around her to keep her from slipping off. Not that she was in much danger of that. My cock was a hard spike that pinned her neatly in place.

“It feels soooo good,” she cooed, wiggling her buttocks hard against my thighs, crotch, and bellybutton. Her muscular cheeks just wouldn’t let go. I had to ex-

periment a little before I found the right muscles to probe her sphincter with every stroke, but enjoyed every minute of trying! Her small nipples poked aggressively at the arms I’d wrapped around her chest, and I felt her body temperature rise to the boiling point. She let out a little cry, then began to shudder her way through a fevered orgasm.

I held out a bit longer, continuing to drive upward and onward. Peggy’s spasms of pleasure built to a peak, slowly subsided, then began to build again. I called upon all my resources in order to hold out, but when she crashed through to her next explosion, I was coming along with her. Both of us whimpered happily for several long minutes. Soon enough, we were ready to repeat the maneuver, so I could get a little more practice in utilizing this unique butt-fuck position. I would have given her an A-plus in my course even if she hadn’t been a particularly gifted student, both in and out of the classroom.

*I rotated the plug with my  
mouth, stirring it around inside*

Another unusual experience came with Georgine, a student with close-cropped, dyed black hair and a stainless steel nose ring. I had assumed that she was some sort of punk lesbian and tried to ignore the tight, lithe figure she concealed under ripped, baggy

jeans. When she asked for a private conference in my office, I was startled, but not so startled as I was when she removed those jeans to show off the butt plug she’d been wearing underneath her clothing.

“I challenge you to give me as much satisfaction as I’ve gotten from this toy,” she said in a cool, fuck-you tone.

“I accept that challenge,” I said, in what I hoped was an equally cool voice. It probably wasn’t, though. I was probably shaking

just a little, from the sheer impertinence of the whole situation.

I knew that I had a reputation on campus to maintain and that I had to make sure Georgine went away gratified. Besides, it would offend my male ego to allow myself to be outdone by a butt plug. In a burst of inspiration, I knelt before her pale body and parted her cheeks with my hands, holding them wide apart so I could see the rounded end of the butt plug poking out of her tiny sphincter.

Smacking my lips loudly, I bent

forward and seized hold of the device with my lips. Georgine gasped a little when she felt how I rotated the plug with my mouth, stirring it around inside of her. When I finally withdrew it from her insides, it burst free with a noisy pop.

Her pink rosebud was wide open, offering me a glimpse into her bowels. The slick pink flesh looked good enough to eat. Again on impulse, I actually fluttered my tongue across the writhing sphinc-

ter. Its mouth opened even wider, and I felt her muscles strain to grasp hold of my tonguetip. I let them succeed, and she drew my tongue several inches inside her.

Soon the challenge was gone from her voice, and only the gasps and moans of pure need remained. "Fuck, Professor, it feels so hot! Oh fucking hell, oh fuck, give me something bigger now, you're making me want it so bad...!"

I didn't hesitate. Bending her over my desk, not caring if her slim body crushed a term paper or two, I poked between those willing buttocks. Her sphincter grabbed at my cock like a powerful fist and pulled it all the way inside.

I really didn't have to do much work. Her asshole took control of the fuck. I have to assume that she'd learned such spectacular control of her rear end through the use of the butt plug. Somehow, despite her youth, she knew precisely how to draw a man to her maximum depths and then massage him using only her anal muscles until both of us were screaming for release.

Seconds after we'd pulled our clothes back into place, the department chairman knocked on my door and asked if I'd heard someone screaming. "It sounded like someone was killing a cat around here," he said.

Both Georgine and I somehow managed to slap expressions of puzzlement on our faces. "We were concentrating on my student's paper and didn't notice a thing," I blandly told the chairman.

Truly, though, a butt-fuck doesn't have to be unusual to be a special experience for me. I suppose I'm a pure butt-fuck addict. I'm just as happy seducing and initiating a young anal virgin like Tina as I am exploring new anal kinks with nymphets like Peggy and Georgine. The proof of that statement is that I never get bored, even if the girl in question can only offer "ordinary" butt-fucking. Maybe it's because no butt-fuck can ever be all that ordinary.

In one of those prolonged moments when Tina and I relaxed in my office, still hunched over my desk, I considered what a lucky man I was to have so many young females willing to grant their anal pleasures to a horny professor. Per-

haps my recollections of past adventures stirred my blood, because I could feel my hard-on returning. Tina shifted position beneath me, so that my cock was poking into the firm flesh of her right buttock. "You naughty thing," she murmured. "You're already ready for more? At your age?"

I stood up and cupped her white cheeks with my hands. When I spread my fingers, I could easily cover her entire butt. It was small and tight, just right for squeezing hard on an older man's jaded cock. A small trickle of my sperm was running from her twitching hole.

"I'm not the only one who's ready for more," I said with a grin. "That twitch in your inner thigh muscle gives it away."

"Before you, I never knew it would feel so good," she admitted. "God. It's so deep, so..." she fumbled for the word, "so fulfilling." Tina lifted her ass-cheeks so I could feel them straining beneath my hands. "Please. Let's do it again."

*Her sphincter grabbed at my cock like a powerful fist and pulled it all the way inside her*

I didn't make her beg. My revitalized cock stroked between those firm mounds of white female flesh, and I insinuated myself deeply into her anal canal before she could catch her breath. Her body began to thump pleasantly against the desk, and I began to thump pleasantly against her butt-cakes.

Somewhere in the distance, I could hear the sounds of an everyday afternoon at any large university. People might gossip, and they might suspect, but no one knew for sure what I was up to. Only my loyal and grateful students can be certain that I deserve my reputation for pleasing nubile assholes. But certainly none of them is about to file a complaint with the dean of students.

# Ami & Stella

I was supposed to spend the evening studying with Ami. But when I got there, she said she was tired from all the work she had that day, and wondered if we could take it easy. I said that I would be glad to help her relax and we could pass on the math assignment I had. So we did. I knew she had great breasts and I loved licking and playing with them. And that was just the beginning!
